

AGILITY'S 2020/2021 POST-COVID REPORTS

TrendLens™ Reports

About TrendLens™ Reports

Our fresh **post-Covid TrendLens™ reports** focus on how the pandemic has impacted the consumption behaviour, expectations and life priorities of the affluent and millionaire consumers across key markets. These reports cover key changes in consumer preferences and behaviour by comparing with data collected before the pandemic. Being in tune with the post-Covid mindset of this lucrative consumer target will help brands make marketing and investment decisions that drive higher ROI.

Covering 8 Asian Markets

**China | Singapore | Hong Kong | Japan
South Korea | Indonesia | Malaysia | India**

AGILITY'S 2020/2021 POST-COVID REPORTS AFFLUENTIAL™ WEALTH REPORT

ABOUT AFFLUENTIAL™ WEALTH REPORTS

The **AFFLUENTIAL™ Wealth Reports** offer timely post-Covid insights into the financial behavior of HNW and UHNW individuals. These reports uncover how Covid-19 has impacted the financial priorities, plans, and preferences of this key consumer segment. Understanding what they expect from their wealth managers, insurance and credit card providers. What are the best touchpoints and information channels to reach HNW and UHNW consumers and how brands can capture a larger share of wallet.
